A Guide To African And African-American Art

Molefi K Asante Kariamu Welsh Asante

The history of African American art dates back as far as the Colonial period and includes a rich and varied body of work. Artists have used a wide range of techniques and materials to create works that reflect their cultural heritage and personal experiences. This guide aims to provide resources for those interested in learning more about African American art and its impact on society. The resources include books, eBooks, and selected journals that cover various aspects of African American art, from historical perspectives to contemporary developments. Additionally, this guide highlights the importance of museums and galleries around the city as platforms for showcasing and promoting African American art and artists.
